## Book Synopsis

Eleven years ago, Lindsey Nash escaped into the night with her young daughter and left an abusive relationship. Her ex-husband was sent to jail and she started over with a new life. Now, Lindsey is older and wiser, with a teenage daughter who needs her more than ever. When her ex-husband is finally released, Lindsey believes she's cut all ties. But she gets the sense that someone is watching her. Her new boyfriend is threatened. Her home is invaded, and her daughter is shadowed. Lindsey is convinced it's her ex-husband, even though he claims he's a different person. But can he really change? Is the one who wants her dead closer to home than she thought?
